We Dedicate

To the former faculty members of Reedsburg High School, who are now serving in the Armed Forces of our country, we dedicate this Gleaner. Knowing the true value of an education, they momentarily left their profession so that in future years the light of learning may glow brightly for individuals everywhere.

REEDY —
THE BEAVER

Foreword

Symbols are as necessary to man as happiness. They are a representation of the ideals he follows and the spirit of the group to which he belongs. The Gleaner staff has long felt the need of a symbol to represent the spirit of R.H.S.

We found Reedy sitting in on one of our staff meetings and immediately adopted him as our mascot. We liked his industriousness, the way he minds his own business, and his clever use of every advantage he possesses. The beaver is known for his loyalty to his colony, which is something we at R.H.S. also pride ourselves in. Besides, he reminded us of our log cutting, dam-building ancestors right here in our end of the valley.

So we discovered Reedy has really always been here, everywhere and in everything of our school. He usually appears as "the school spirit," the idea behind Loyalty. Reedy is both honor student and average student; he is on the faculty and in the office. He is even represented on the school board.

As a student he misses none of the extra activities. Music, clubs, sports, newspaper, and Gleaner—all have Reedy working with and for them in some manner. He is present at all of the parties and dances; at football and basketball games he really shows his stuff, cheering the team on to victory.

Perhaps with Reedy more tangible as pictured throughout this Annual, we will more readily find and appreciate our school spirit.

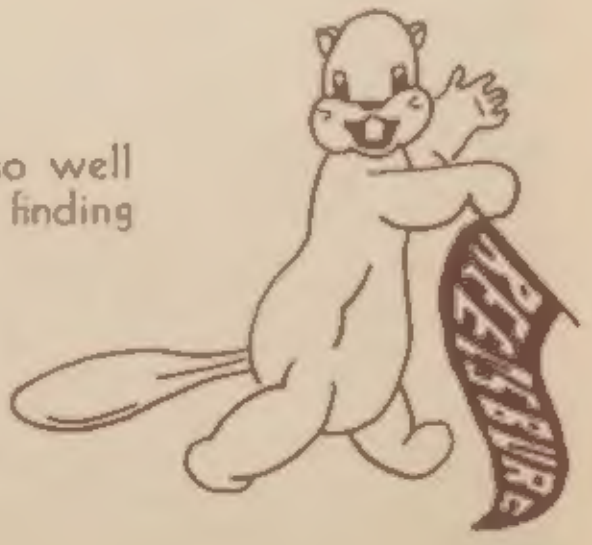
Contents

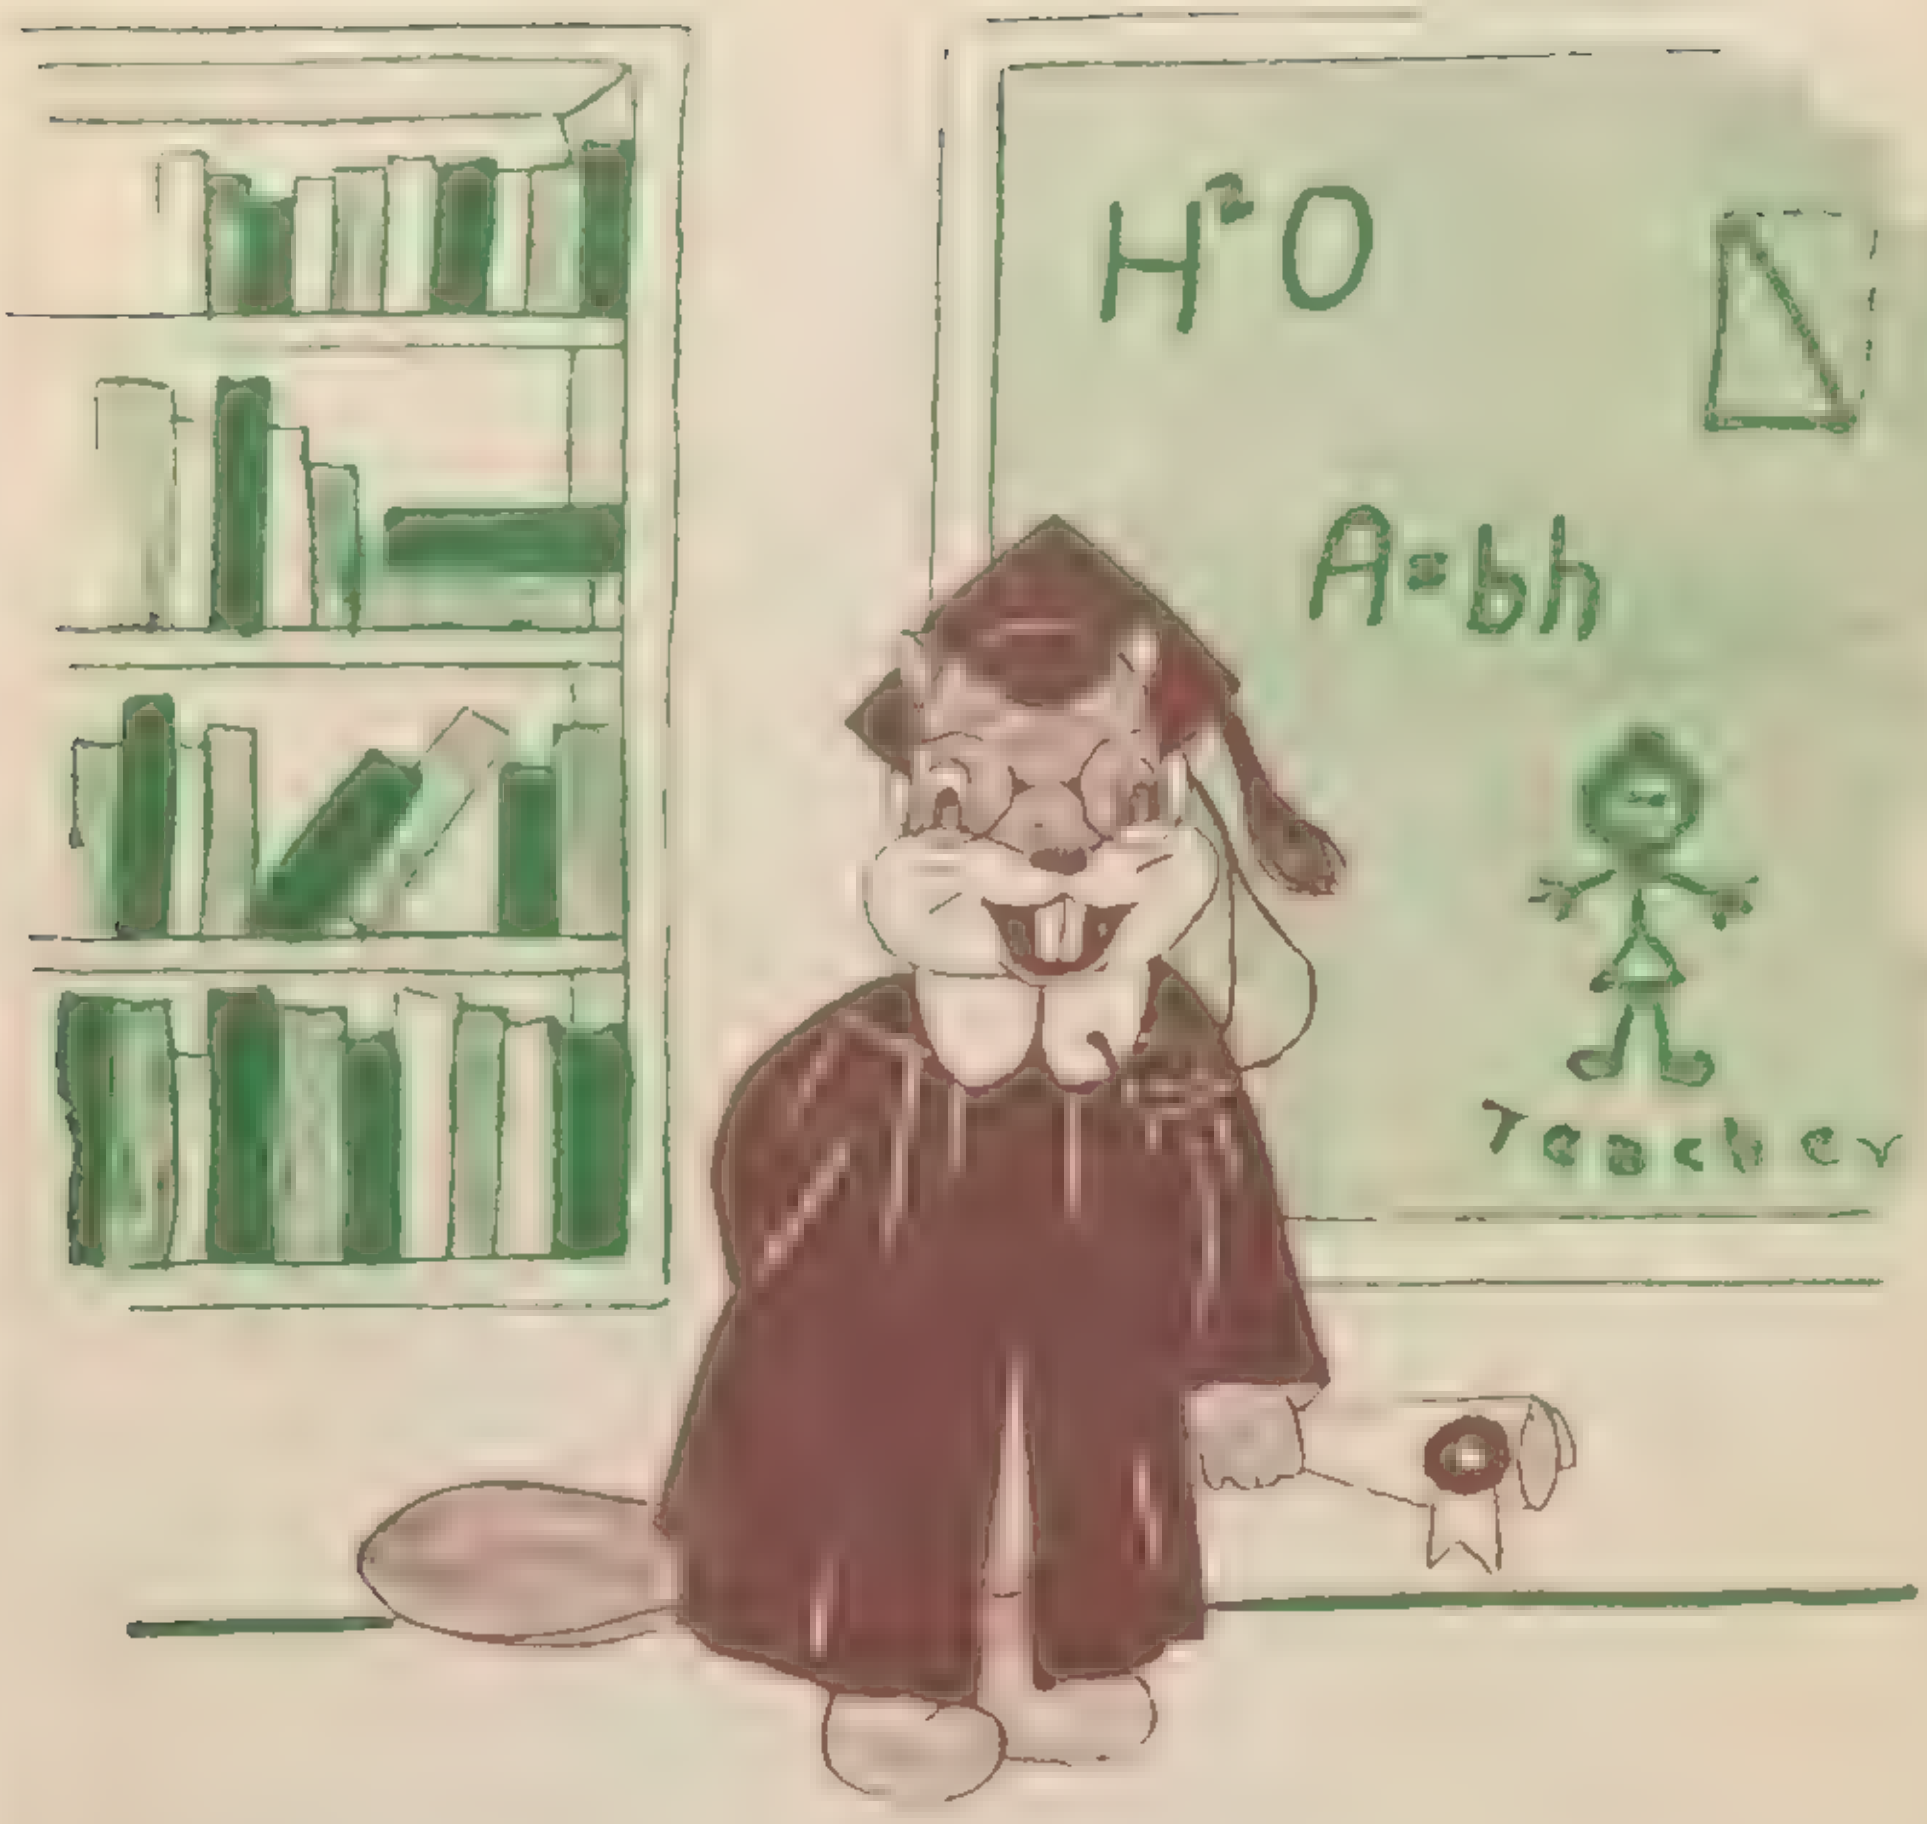
Reedy, the Beaver, made his debut at Reedsburg High School last fall. His first acquaintances were the various members of the **FACULTY**, followed by the **STUDENT BODY.**

Reedy expressed his loyal support of **ACTIVITIES** by appearing in person at all of them.

Being the versatile type, Reedy also participated in **ATHLETICS** and the even harder task of leading cheers to keep school spirit high.

Reedsburg's **SCHOOL LIFE** is fun and so well rounded out that Reedy had no trouble in finding this place.





FACULTY AND STUDENTS

Our Superintendent

Dear Seniors: -

Make no little plans!

This is your chance to prove that courageous men and women, with big plans, with the tools and inventiveness that have been the fruits of a free spirit, can satisfy the aspiration of humanity.

Move into tomorrow boldly, with head high, confident of the future. This way only can freedom be perpetuated.

R. T. Nonnington

Our Principal

here at the beginning of this year

A day with our busy principal begins at seven o'clock He eats breakfast with his wife, who are tardy. He also examines the building and attends to the Extension Course

He teaches chemistry the next three hours, and at twelve o'clock he goes home to eat din responsible for the success of our pictures The sixth hour he teaches his final class of chemistry for the day

in general At 3 37 the day ends for the students, but not for our principal He keeps on iron ing out the problems that arise and need attention to make the school function smoothly

to help us when we are in need

Our School Board

It is the School Board who makes our great gift of an education possible It is they who provide our textbooks our faculty, our extension courses through the University They provide maintenance of the school and school property In short, if it were not for them we would be in the dark We would have no backing for our future work

Our School Secretaries

Ruth Medenwald

Always greeting us with a smile, Ruth is remembered for the passports and tardy passes she handed out to us. Each of us marveled at Ruth's stability and her loyalty to her work. However, it is a mystery to us to understand her patience and friendliness toward us. Ruth is missed by every member of our school, and we will never forget her.

Mrs. Otto Schmitt

We all admire Mrs. Schmitt for the capable way in which she took over the office job at the beginning of the second semester, and the kind help she offers us when we are in scrapes and tight spots. Remember the time you came in late with a weak excuse and she let you by? We extend our gratitude to you, Mrs. Schmitt.

Juniors

Valera Hasse — Secretary and Treasurer
Arnold Richert — vice President
n Burdick — President
ack Gavin — Loyalty Representative

The Juniors entered their successful year by choosing John Burdick for their president, Arnold Richert, vice-president, Valera Hasse, secretary-treasurer, and Jack Gavin loyalty representative

The class had a spectacular record in football and basketball Lyndon Jermier, Jack Gavin Bob Gallagher, Jim Hall John Burdick and Paul Smith, were proud possessors of football letters while Jack Gavin, Jim Hall, John Burdick, Jim Elsessar, and Hubert Blank were on the basketball team Jack Gavin and Jim Hal received letters for track last year

The outstanding event in the social calendar of the year centered around the Junior Prom which was held on April 21 John Burdick and Donna Faye Geffert, the king and queen, led the grand march

In spite of the fact that studying took a great deal of their time, the Juniors found time to participate in band, orchestra, choir, chorus, Gleaner, newspaper, and many other activities

Sophomores

Gerald Schroeder—President
John Toepfer—Secretary and Treasurer
Betty Lou Jermo—Loyalty Representative
John O'Malley—Vice President

After their first year in R.H.S. the Sophomores returned to school to resume their studies with great enthusiasm. To represent their class they selected as leaders: Gerald Schroeder, president, John O'Malley, vice-president; John Toepfer, secretary-treasurer, and Beverly Jermo, loyalty representative.

The class of "'46" showed their good sportsmanship by participating in all school activities under the able leadership of Miss Field. The outstanding athletes are: Jim Randall, John O'Malley, John Smith, Bill Whitney, and Duane Giles. We are confident that in their two remaining years they will prove their athletic ability in football and on the basketball floor. They maintain a high percentage in band, orchestra, and other musical activities. Wilbur Lea and Carl Steinweg represent the class in the Safety Patrol.

The Sophomores have shown fine school spirit and we wish them success in their future years in R.H.S.

BAND

Mary Beulow, Corinne Toepfer, Dona Faye Geffert, Joyce Kleeber

The band of fifty-six members began the year feeling the loss of many good members who graduated However, after practicing for many weeks, they showed great improvement

The band is one of our school's most active organizations. It appeared on Main Room programs, the Armistice Day service, two of the five mid-winter concerts, and at the games It finished the year by playing the processional for commencement

At the music tournament of 1943, held at Prairie du Sac, the band took first place in both concert and sightreading, with many members winning honors for solo and ensemble work

This year the Newspaper Staff tried something new, a printed school paper in place of the old mimeographed form Mr Max Ninneman, editor of the Reedsburg Times Press, gave the staff his very competent guidance in this undertaking

At the beginning of the year a contest was held to select a new name for the paper. "Reedsburg News Nymph," the entry of Lyla Richardson, was chosen and then changed to "The Purple Banner" with the advent of the printed publication

Miss Fried advised the Purple Banner Staff and Miss Lange is in charge of news written for the high school column in the Times Press

Corinne Toepfer, the editor of the "Purple Banner," will be succeeded next year by Mary Dorow, Junior assistant editor

The general staff includes Seniors Patsy Whitney, Modesta Blonien, Marjorie Klipp Doris Rudy, Alice Driefke, Ardene Mahr, Lorraine Backman, Myrl Newbury, Juniors Ada [illegible] Blank, Jean Gavin, Delores Foss, Sophomores—Eleanor Stubenvoll

LOYALTY BOARD

Loyalty has a ways meant a great deal to the students of Reedsburg High Schoo It was organized in 1917 during the World War, for the purpose of fostering the Loyalty of the students

The Loyalty Board, which consists of one representative elected from each class and three faculty members, meets every Monday during the activity period to record the achievements of the classes This year several changes were made in the judging the loyalty of the students Cred t was added for the sale of defense stamps and citizenship was based on quarterly reports made by the teachers

The awarding of the trophy to the class having the best record is the most important event at the annual banquet held in May

Baraboo gets Revenge

The last football game was played on November 11 The basketball team reported for the first practice on November 12 One week later, the season was opened with a double-header with Mauston and Hillsboro Both games were lost by one bucket

Three or four wins was the most that was expecte of our inexperienced team However, conference games proved different

The first game was played in the field house at Madison The Wisconsin High boys played a fast breaking game, but the Purple and White cagers had control of the ball most of the time A three point lead carried us to victory

A home game was next played with Monroe It was a hard, fast, well fought game and the score remained tied at the end In a three minute overtime, R H S opened up and came through on top with a five point margin

We next met Portage on the home floor The Reedsburg five clicked in the first half and trounced the Portage five by a decisive score of 29-16

A rather weak Wisconsin Dells team was our next opponent at that place. The unbeaten R H S cagers crashed through with another win of 24-17

Stoughton came to Reedsburg for the next game of the season. Stoughton was up on top also The score [illegible] Reedsburg forged ahead for another win.

A trip to Richland Center to play a team that had yet to win its first game proved an exciting event. The unfamiliar baskets gave the Purple and White trouble We again, however, came through with a 24-17 victory

Baraboo! That was the game Reedsburg spurted ahead in the first half and held the Circus City five to no field goals. The score at the half was 11-2 In the third quarter Baraboo got 12 points. But we put the game on ice in the final frame and ended the scrimmage with a score of 28-17

A packed house witnessed the first conference defeat of our local five Edgerton, boasting Krukenberg as the high conference scorer, knocked us over in the final half Score – 20-27 Coach Freiman was quarantined for this game because he had been exposed to scarlet fever

The outcome of the Portage game was pretty doubtful due to the absence of Harder our center However Meyer and Gleason started hitting and we packed in 41 points to their

Richland Center was still on the bottom when they met Reedsburg on the home floor The Reedsburg team pulled ahead to an easy victory of 29-15

Wisconsin Dells met us on our home floor and we again clinched a victory with a 27-13 score

An overnight trip to Fort Atkinson brought in our next victory It was a tough hard fought game and the team really worked to pull ahead in a 26-19 score We were now assured a place in the title

The champs met Baraboo the second time This was a home game Something failed to click and we were behind all the way No field goals were made in the second half The final showed Baraboo in front on a 20-10 score

A large basketball banquet was held before the Baraboo game The first and "B" squads were served a chicken dinner Many business men and rooters were there Talks were given by Coaches Freiman, Compton, and Dunwiddie Other talks were also presented The activities were ended by showing basketball movies

The Regional Tournament was again held at Reeds- [illegible] game, but came out on the short end of the final tally [illegible] defeated at the sectional

Our '43-'44 team had no individual stars but was welded into a hard hitting team. We are proud of the team and Coach Freiman, and we are proud of the record they made. Reedsburg has tied for first for two consecutive years

TENNIS

1943 was the first year R H S had a tennis team for the last two years Our first meet was with Baraboo Reedsburg won all the matches and the score was 15 to 0. A return match was arranged with Baraboo, but was called off because of the weather. The Southern Ten tournament was held at Madison and Goodman, Berning, Gallagher and Kampen represented Reedsburg Goodman won first place and Gallagher and Kampen placed second in doubles

Don Goodman placed fourth at the sectional meet which concluded our season Considering that Goodman and Berning were the only veterans, the boys made a good showing

Rooty Builds Muscles

The girls' intramural group, under the direction of Miss Gaertner, met on Wednesday nights after school. This year they organized as a club, elected a president and participation was open to any girl who was interested in sports. Questionnaires were circulated at the beginning of the year to determine the sports they were most interested in and as a result basketball again dominated the major part of the year. Other sports included softball, tennis, volleyball, archery, and indoor games.

Mr. Freiman's physical education classes worked on physical fitness. Pyramids and like group activities, plus individual exercises, made up their program. As each sport—football, basketball, track—moved into the limelight, it was taken up in the classes. After the basketball season teams were organized, each having a varsity squad member as captain.
